

**BDAC**®

# ABOUT US

**14** YEARS

OF MANUFACTURING HISTORY

BDAC Group is a traditional Chinese manufacturer of precision plastic products, and its main business includes oral care products, personal care tools, and household cleaning products.

BDAC's factories are located in Dongguan and Qingdao, China. With 14 years of manufacturing history, BDAC is a leader in the processing of plastic, stainless steel, bamboo and wood products.

BDAC's key strength is in taking on customised product design and manufacturing services, using Chinese manufacturing technology to add value to the supply chain of international clients.

# INTERDENTAL BRUSH

PRODUCT INTRODUCTION

BDAC®

PRODUCT INTRODUCTION

Model

## L TYPE

Product introduction
